The Yucaipa Performing Arts Center (YPAC) is proud to host another world-renowned band at the brand new venue located in Historic Uptown Yucaipa. The event takes place on the outdoor stage Friday, Oct. 4, 2019 at 8 PM.

Creedence Clearwater Revival was an American rock band founded in 1995 by bassist Stu Cook and drummer Doug "Cosmo" Clifford. After their induction to the Rock 'n' Roll Hall of Fame, Cosmo and Stu launched their Creedence Clearwater Revisited project in 1995 to perform the hit songs that are reaching new generations of fans.

Cosmo and Stu carefully chose the remaining members of Creedence Clearwater Revisited, assuring that the new musicians would capture the sound and spirit of the original band. They brought on lead guitarist Kurt Griffey, lead vocalist and rhythm guitarist Dan McGuinness, and multi-instrumentalist Steve Gunner. Together, the five members perform some of the most iconic songs that remain relevant to the modern day. Classics like "Susie Q," "Lodi," "Proud Mary," "Down on the Corner," and "Who'll Stop the Rain," are among their most popular hits.
