For over 20 years Wild Child has been known for faithfully re-creating a live Doors concert on stage. The band members are professional musicians who have decades of experience touring the world.

Wild Child mirrors the depth, energy, and emotion of The Doors' concerts as they were experienced live back in the late 1960's. This tribute band goes above and beyond as the music is reproduced and combined with the voice, look, and essence of Jim Morrison live on stage. The lead singer, Dave Brock, toured with original members of The Doors, and the band even utilizes some of the same musical instruments live as The Doors did over 35 years ago!

Wild Child performs internationally, playing to packed venues around the globe. Get your tickets today and don't miss out on the opportunity to see this spectacular band live!

GA tickets = general admission, standing room ticket.

VIP tickets = a seat in the mezzanine and access with wristband to the VIP standing room area on the main floor in front of the stage.
