**Scot Bruce** was all set to perform some of your favorite Elvis songs live at the YPAC recently but when the show had to be cancelled he worked with us to create special online performances just for you! We'll post new concerts regularly for you to enjoy and we thank you for your continued interest. We are sending our best wishes and we hope you and your family are staying healthy.

Scot Bruce celebrates what made **Elvis Presley the King of Rock & Roll**. The magic that made a generation swoon in the 1950s and '60s is recreated in this high-energy musical which creates the visual excitement of Elvis' pre-Vegas career, complete with vintage instruments and greased-up hair. Scot Bruce, **recognized as the country's preeminent Elvis performer**, and his amazing rockin' band, respectfully and meticulously pay homage to "The King." Bruce's live show has taken him across the US and all over the world. According to *The Tennessean*, "Top Elvis impersonator, Scot Bruce, has got it going on. His voice is so uncannily like the King's you'll think you're in Blue Hawaii... He has all the signature Presley moves – the independently rotating thighs, the swiveling pelvis, the droopy bedroom eyes – down to a science."
